Company Ka Naam (optional)

GE Aerospace

Analyze Karo!

Analysis Complete!

1. COMPANY RESEARCH GE Aerospace ek bahut bada aur prasiddh company hai jo aerospace aur defense mein kaam karta hai. Unki culture mein innovation, teamwork, aur customer satisfaction shaamil hain. Unki values mein safety, quality, aur integrity shaamil hain. Is role mein ek banda chahiye jo data science aur machine learning mein expert ho, aur jo business problems ko samajhkar unka solution nikal sake.

2. RESUME SCORE Maine is resume ko 60/100 score diya hai. Kyunki resume mein kuch acche points hain, jaise ki data analysis aur machine learning mein skills, aur projects mein experience. Lekin resume mein kuch weaknesses bhi hain, jaise ki experience ki kami, aur specific skills ki kami jo job description mein maangi gayi hain.

3. STRENGTHS Resume mein kuch acche points hain, jaise ki:

- Data analysis aur machine learning mein skills
- Projects mein experience
- Education mein relevant field (Communication and Computer Engineering) Yeh points job description se match karte hain, jaise ki data science aur machine learning mein experience.

4. WEAKNESSES Resume mein kuch weaknesses hain, jaise ki:

- Experience ki kami (sirf academic projects aur coursework)
- Specific skills ki kami jo job description mein maangi gayi hain, jaise ki Gen AI/LLM, cloud platforms, aur Docker Yeh weaknesses resume ko kamzor banate hain aur company ke requirements ko poora nahi karte.

5. IMPROVEMENTS Resume mein kuch improvements ki zaroorat hai, jaise ki:

- Experience ko badhana hoga, jaise ki internships aur projects mein participation
- Specific skills ko add karna hoga, jaise ki Gen AI/LLM, cloud platforms, aur Docker
- Resume ko rewrite karna hoga, jaise ki projects aur experience ko detailed tareeke se likhna hoga
- Konse keywords add karne chahiye, jaise ki "data scientist", "machine learning", "cloud computing", aur "Docker"

6. ATS SCORE Resume ATS systems ke liye optimized nahi hai, kyunki usmein specific keywords ki kami hai jo job description mein maangi gayi hain. Resume mein keywords add karne chahiye, jaise ki "data scientist", "machine learning", "cloud computing", aur "Docker". Isse ATS systems mein resume ko priority mil sakegi.
